## Hennessey™ Metallic Strap Locks

GUITAR PARTS

### FEATURES AND BENEFITS

Jump! Swing your guitar! Be alive on stage! Push your axe in any direction and your strap will always remain locked on to your guitar. The Hennessey™ Strap lock, with its safe & easy-compress and release-action system, allows for easy removal of your strap and for a secure connection every time! We offer the strap locks in six different finishes.

### Easy-to-Use Installation Instructions

1. Unscrew the strap pin that came with your guitar.
2. Remove the pin (1) from the lock (2).
3. Screw the Hennessey™ pin and felt washer (1) on the guitar.
4. Remove the fastening nut (3) from the back (2).
5. Slide the lock (2) through the hole on your strap.
6. Take the fastening nut (3), insert into the lock (2). Hold the lock by its lip (2) and tighten to the fastening nut (3).

**COLOR Packaging!**

*Our award-winning packaging is eye-catching and acts as a "silent salesperson" describing all of the features of the product.*
